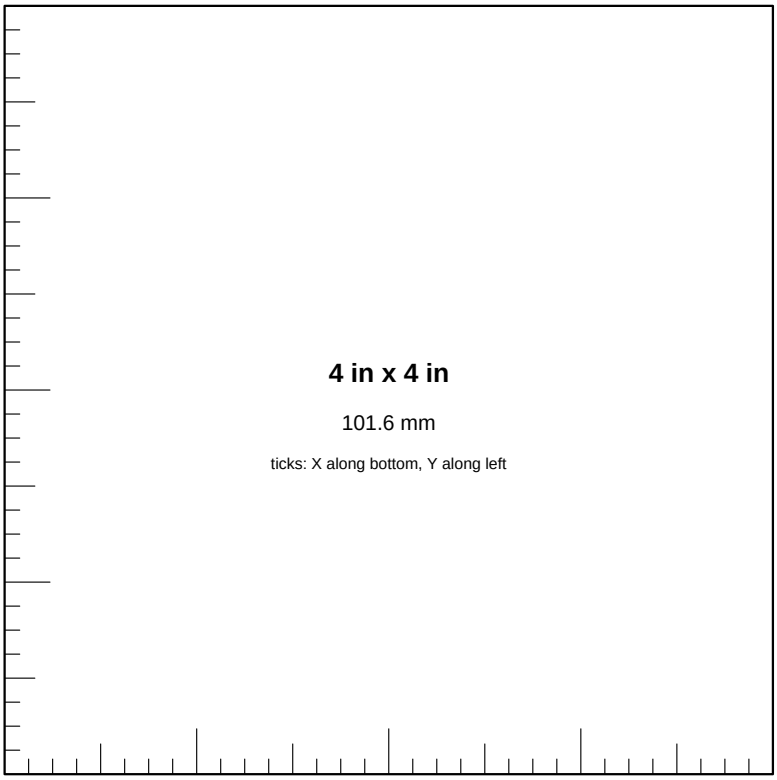
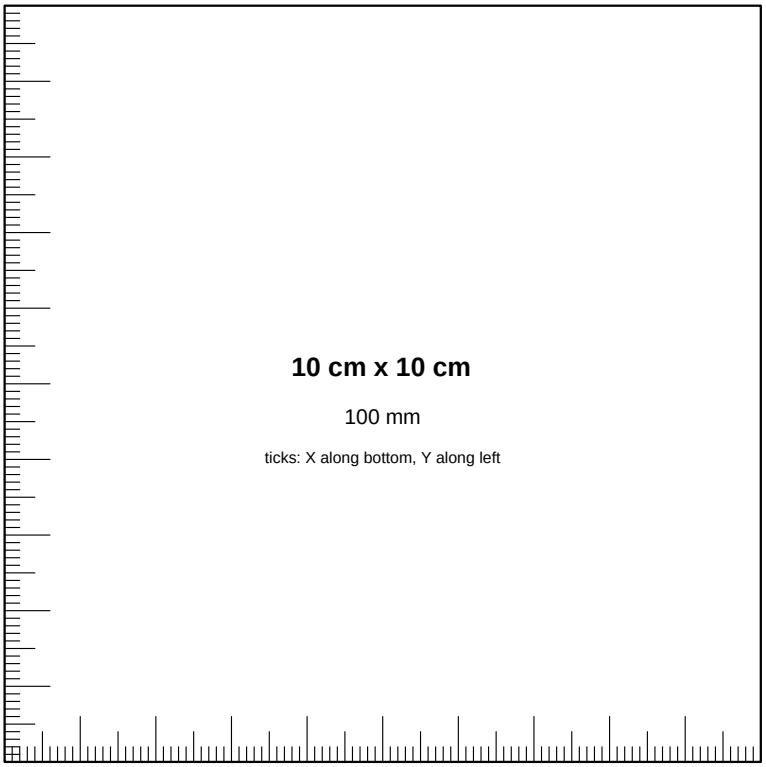
TESTBODICE - size 2T

A4 home tiles | 2 columns x 3 rows | fabric-pattern/1, mm | round 0





PRINT AT 100% / ACTUAL SIZE (Scale: None). Do NOT use Fit, Shrink oversized pages or Scale to fit.

Print this page first. Measure both squares across AND down: 4 in = 101.6 mm, 10 cm = 100 mm. If either is off by more than 1 mm, fix the printer settings first.

PRINT PAGES: 2-7 (6 tiles).

ASSEMBLE: trim the RIGHT and BOTTOM margins of each page along the frame line, lay it over its right / lower neighbour so the frame lines meet and the half-diamonds form whole diamonds with the same code (e.g. A1|B1). Tape. Pattern lines run 5 mm past the frame so you can check alignment.

LAYERS: use the Layers panel (Acrobat, Preview, pdf.js) to hide Seam lines, Notches, Grainlines & labels, Placement marks or Soutache placement. One layer per size.

STITCHING APPS (Pattern Projector, PDFStitcher): pages 2-7, 2 columns, edge insets 10 mm left/right, 10 mm top, 10 mm bottom.

Seam allowance is included; the cut line is solid, the seam line dashed.
